Letter from the **Senior Pastor**

Ken Shigematsu

A graduate student in the sciences, once an agnostic, shares with me how he came to believe in Christ through our community. A young woman, new to Canada and from a Muslim country, begins exploring Christ, takes the Alpha course, and not long after is baptized at Jericho Beach. A man with a life-defining illness is invited to our community by a friend and makes a turn toward God.

Our vision, quite simply, is to serve as a community where people from all different backgrounds can discover and rediscover Christ. We also exist to foster a deeper, Christ-centred journey of spiritual formation. To support this vision over the past year, as you will see in this report, our community has been offered various opportunities to deepen their life with God through courses and small group offerings such as **Alpha**, **Emotionally Healthy Relationships**, and **Love and Justice**, as well as smaller communities like **Life Groups** and **Soul Trios**.

Finally, we exist not just for ourselves but to bring Christ’s love and justice to the larger world. This past year, we were able to walk alongside about **400 newcomers** to Canada, housing approximately 50 of them in homes we manage. Through Oasis Café, we had the privilege of sharing about **11,400 meals** on 152 of the coldest nights of the year, our shelter offering over **2,500 mats** and hot breakfasts to some of the most vulnerable people in our city.

We also have the privilege of continuing to support the global work of Christ, with a primary focus in **Cambodia**. From its small beginnings, we have been able to walk with and support the ministry of **Alongsiders**, which has grown from a handful of “older brothers and sisters” to some **75,000 “alongsiders”** who walk with some of the most vulnerable children in the world.

Since the
pandemic,
our actual
reach has
grown.

While we have not yet reached pre-pandemic levels of in-person attendance, over a nine-month period in the past year, our **attendance grew by 9.4%** year-over-year, and our **financial giving increased by 6.9%** during that same period. Through one of our broadcast mediums (YouTube), we had approximately **86,700 views** of our services over 365 days, reaching as far as Hong Kong, Brazil, and South Africa. Since the pandemic, our actual reach has grown.

My friend and colleague in ministry, Peter Scazzero—who was a pastor in Queens, New York City, for many years and now leads the Emotionally Healthy Spirituality ministries—commented that Tenth has a rare combination of pointing people to Christ, contemplative spirituality, and justice.

Thank you for your participation, your presence in our community, and your partnership, which by the grace of God makes us who we are.

Gratefully,
Ken Shigematsu
Senior Pastor

Letter from the **Executive Pastor**

David Sayson

The Lord's grace and compassion toward His people at Tenth has been profoundly evident over the past year. Guided by our strategic plan, each site and ministry has welcomed new faces, made disciples, and fostered justice. We also had the privilege of expanding our staff team, welcoming ten new members while also promoting from within. It's been a true joy to witness the growth of our team members as they mature in Christ and respond to His call.

During our strategic planning sessions, the team identified key objectives for the coming year, focusing on what would best advance our strategic imperatives. For Mount Pleasant, the focus will be on engaging volunteers; for East Van, it's nurturing life groups; for West Side, it's increasing participation; for the Evening service, it's rebuilding community and frameworks; and for UBC, it's creating a "sticky" environment that fosters connection in a transient community.

We are filled with anticipation for what lies ahead at Tenth.

We are filled with anticipation
for what lies ahead at Tenth.
The Lord has provided us with
abundant resources to carry out

the work He has called us to do, and as we plan for the future, our Board Chair reminds us of the importance of following God's timing, ensuring we remain one step behind His leading. Looking forward, our plans include redeveloping the Mt Pleasant site and exploring a potential new site. I am thankful to our God and Father for our Tenth team's work of faith, labour of love, and perseverance of hope in our Lord Jesus Christ.

Tenth Transformation

Everyone is on a journey of spiritual growth, whether starting, growing, or maturing in Christ.

We seek to offer transformational opportunities wherever you are on your journey. This past ministry year, we launched a new course called **Becoming Your True Self** based on Pastor Ken's new

book. We also launched a new series called **Love and Justice**, which helps people catch a vision for biblical justice and provides a glimpse into our local and global justice ministries. After a few years on pause, we brought back **GriefShare** as well as **Emotionally Healthy Spirituality** and **Emotionally Healthy Relationships**. We ran **Alpha** twice, offered **Soul Trios training**, and hosted two **Contemplative Prayer Nights**. Each site saw participation in **Life Groups**, and some offered additional courses and workshops, such as Real-Life Discipleship, Foundations, Gifting & Calling, and Baptism classes.

Tenth Families

At Tenth, we're passionate about Family Faithing! We want families to know that God is at work in their real lives, drawing them closer to him right in the messy middle of all they juggle. We create networks of nurture to care for the whole of our family life, so that we better reflect Christ.

500

Family Chat Café

We've reached over **500 participants** at our Family Chat Café events over the past three years.

We are creating safe spaces in these meals to further nurture our parents, kids, and youth in their relationship with Jesus and with one another. This past year included **12 gatherings** on topics that included how we REST, PLAY, PRAY, WORK, and CONNECT. We're excited to GO DEEPER in the coming months. We don't do this family faithing journey alone.

Parent Connect

Parent Connect took place every second Friday of the month during CREO youth programming. During these gatherings, our Mt Pleasant site hosts parents and students from all Tenth sites. **We share snacks, spiritual formation practices, and prayer** about the highs and lows of our parenting journeys. These regular check-ins foster honest relationships, faith rhythms, and meaningful resources we all need for growing teens in their unique seasons of development.

Tenth Kids

Our Tenth Kids are living, learning, and loving God together. At each of our sites, kids are encouraged to bring their **real faith questions**. They feel seen and heard. In safe spaces, they're given playful ways to create and experience the deep love of God for them and for others. Our **annual workshop and orientation event** drew

volunteers from every site for training tailored to enrich these connections. Our volunteer groups grew closer both inside and outside of church. Our first **Mexico Justice Journey** for families was a great foundation this year, and more Justice Journey opportunities are being designed for families to serve in mission together.

Creo Youth

Our CREO Youth are encountering Christ in their belonging, identity, and purpose. These dynamic students meet in both site-specific gatherings **on Sunday** and in weekly all-site **CREO Friday**. Many of our site CREO groups grew in number this year, with an all-new one launching at our **UBC site**. Post-COVID we saw a record number of students wanting to be **baptized** and share their faith stories with families and mentors.

We celebrated our first annual **Fall CREO Camp** and it's officially a new tradition in the making, with over **60 teenagers** in attendance! Our students continue to serve our kids ministries, both as leaders with peers, and behind the scenes in lights, sound, and production. They know their gifts matter at Tenth. And we have over **40 adult leaders**, across generations, pouring their lives into our students.

Joyful are those
who listen to me,
watching for me
daily at my gates,
waiting for me
outside my home!

Proverbs 8:34

Pastor supported and thriving to lead that vision? And are there processes that ensure we stay focused on the plan and protect the body? The answer is a resounding yes. The strategic plan, as highlighted in last year's report through the image of a tree, reflects this vision of unity within diversity.

As a Board, we serve in four key areas: planning, people, processes, and spiritual growth. The first three—plan, people, and process—are foundational. We ask: Is there a mission-driven strategic plan in place? Is the Senior

Yet, these areas cannot flourish without being grounded in the fourth area: our spiritual growth and humble learning. Without surrender, we cannot truly hear or discern. We are called to lay down everything we cling to and earnestly pray for God's will to be done (Matthew 6:9-13). Only then can we, as a Board and as a body, create space to hear and learn in grace.

“Lord, teach me to listen. The times are noisy, and my ears are weary with the thousand raucous sounds which continuously assault them...Let me hear thee speaking in my heart. Let me get used to the sound of thy voice, that its tones may be familiar when the sounds of earth die away and the only sound will be the music of thy speaking voice. In Jesus’ name, Amen” -AW Tozer, Pursuit of God.
