

TENTHCHURCH

Instructions for Downloading and Setting Up the Tenth Church App:

Find the **Church Centre** App on the App Store

Once downloaded, open the app. Search for Tenth Church by using your location or click on “Search manually” and type in Tenth Church, Vancouver, Canada. Select from any of the Tenth locations (they will all take you to the Tenth Church App)

To login to your Tenth account, enter your mobile number. You will then receive a text with a six-digit code. Enter the code at the prompt to verify your account.

Success!

You have downloaded the Tenth App and can now register for events, give financially, listen to sermons, and more from your mobile device.
